

PRESCRIPTION

History

Prescription Vineyards is a project born out of a mutual respect between a grower and winemaker. Our winemaker, Rob Lloyd, has worked with James Reamer for a number of years on other projects. During this time, it became apparent that his grapes and Rob's style of wine was a perfect match. Rob likes making rich and luscious Chardonnays and James grows bold Chardonnay grapes with excellent acidity. It was natural for them to work together again. Aged in 100% stainless steel tanks and fermented with oak, the 2021 vintage once again celebrates this partnership.

Winemaking

100% Chardonnay sourced from James Reamer in Clarksburg, CA. All of the vineyards for Prescription Chardonnay are below Delta water channels. This provides cooler morning and evening temperatures, similar to a coastal climate. Produced in stainless steel and fermented with oak. Single appellation; single grower.

Sensory

Lively aromatics of high-toned citrus and lemon peel (zingy acidity), tropical fruits and fresh cream lead into a refreshing and mouthwatering palate. Flavors of guava, papaya, Key lime, and crème brûlée flow throughout a long, smooth, mineral laced finish. If you have one bottle for a surf and turf meal, this wine is beautiful with seafood and can easily match up to a steak.
